Village Hall AGM

Chairman's Report 2017/18

Vision with Ambition

Paul Johnson ~ Chairman

(The chairman and secretary's annual report as presented at the Village Hall AGM on 27 November)

"During my time as chair the committee has been approached by a number of people on behalf of worthy fund-raising causes. The organisers of these often ask that we provide use of the hall and its facilities in support of their cause without charge. To make it quite clear, it is the prime purpose of the village hall management committee to raise funds for the support and maintenance of the village hall for use by existing and future generations. This is ongoing, planned, and is the product of the extensive efforts of the members of the committee and those who support the events that are organised. This includes the letting of our facilities.

It is not our remit to make funds or facilities available to other organisations by grant or favour. This does not preclude any member of the VPMC from actively supporting other fund raisers or from taking an active role in their events.

This year has seen a continued commitment by the committee to complete the refurbishment plan first established in 2015. In March 2018 the old gas and oil boilers were replaced, in accordance with the heating and conservation survey recommendations of 2016, by a single 40KW LPG boiler which now supplies the whole building. This is more energy efficient/cost effective / controllable and eco-friendly as it reduces the hall's carbon footprint. Original estimates costed this work at £5000. On completion the bill was £3960.00.

Replacement tables have also been purchased for both the meeting room and the main hall. These will add to the appeal of the hall for general use and as a venue for hire. Total cost for these was £2138-88. An attempt was made to raise funds toward this purchase via local grants which use social media to raise support. Unfortunately, this was not successful

The combined spending for this has been met out of hall reserves, was planned expenditure from the original refurbishment plan and has been achieved under the budget allocated (Continued on page 2)

Parish Council Keeping You Informed

Councillor Ivor Keyes

Chairman Appleby Parish Council

Precept This time of year Parish Councillors are discussing what we expect to spend next year and therefore set the Precept that residents pay for 2019/20 each item being assessed in turn rather than a broad brush alteration. The final figure being determined early in the New Year prior to submitting to North Lincs Council for collection on our behalf.

Broughton and Appleby Regeneration. Latest news from this is that positive discussions regarding the completion of the Ancholme Way and connectivity to Appleby are ongoing. As reported in other local publications, the Ancholme way footpath cycle path nears completion along the banks of the River Ancholme and although access to Saxby bridge is still somewhat uneven, residents have been able to access the Way to walk or cycle in to Brigg.

Emergency Plan. Our Parish Emergency Plan has been reviewed and updated. A copy, minus the contact information about our more vulnerable residents, can be read on our website www.applebypc.org.uk. Copies are also held by Parish Councillors.

Community Speed Watch is an initiative generated by Humberside Police Crime Commissioners office and supported by North Lincolnshire and East Riding of Yorkshire Councils. It was thought it would be brought in to service late this year, but it has been decided that a dedicated administrator/Co-ordinator for the scheme is required and so now the expected launch is likely to be in April. We have had volunteers for the scheme, but the details of how, where and when, the scheme will operate, along with training, is yet to be determined and until then Parish Council, who would be required to take this on board, have yet to make a final decision regarding involvement.

Planters We have an extra planter at the War Memorial with a Centenary Plaque attached in further remembrance of those who lost their lives in WW1. The planter was a suggestion from a resident and Council thought that it would be further enhanced by a Plaque. We hope you like it.

On the subject of planters, winter bedding plants have replaced the spring / summer ones. A very big thank you to those residents who have helped maintain the plants by way of watering. Hopefully your watering checks will continued over winter

Finally a personal thank you to Paul Johnson who at the Village Hall on 27 November has retired as Chairman of the Village Hall Management Committee. Craig Johnsen has taken the reigns and I wish him well in his new role.

Paul is staying on as a Committee member and so his knowledge will not be lost. Paul is also a valued Parish Councillor who plays a leading part regarding maintenance of the children's playground along with weekly preliminary inspections and is still investigating further improvements. The café morning was brought in under his tenure which has enabled both Neighbourhood Watch and contacts with Community Police, as well as ONGO, to be greatly improved for our residents. He has managed the recent maintenance projects for the Village Hall and his work in all the above mentioned areas is an inspiration.

Christmas at St Bartholomew's

Revd Alice Nunn

Greetings to you all, as you know Christmas is rapidly coming..and I guess the goose is getting fat.

Regular services are continuing at 9.15am on the 1st and 3rd Sundays of the month and all will be made welcome at our services in December the 2nd & 16th.

ALSO on **Sunday 23rd at 3.00pm** we are

holding a Carol Service which will be suitable for all ages we will also bless the Crib. This service will be a mix of well known Carols, readings and hopefully some contributions from the community. If you or your children would like to sing or

play during this service please let me know soonest, so I can fit you all in. email me at alicecunn@gmail.com or ring 01724 732262.

A call for greenery. It would be wonderful if we could decorate the Church in time for the Carols, Service on 23rd so any offers of greenery and the like can be made to John Jeremiah or Erika Stoddart or the Vicar.

On Christmas night the **24th December** at 10.00pm we will hold the first Eucharist of Christmas, and again everyone will be most welcome.

All are warmly invited to continue celebrating Christmas at All Saints Winterton the first Sunday after Christmas **30th December** 10:30am.

And now..I close with wishing you all a very joyful and blessed Christmas

With warm wishes Alice the vicar

Remembrance Day

Poppy Day collection raised £358.40. A thank

you to Jacky Johnson, Judy Sheard, Rebecca Wainwright and Mary Bratton for making the collection as well as to all those who donated.

On 11th November there was a short act of Remembrance at the War memorial during which the names of those who died were read out, the Last Post sounded and a silence was observed. The Church was open for much of the day for quiet reflection.

Vision with Ambition Village Hall AGM Chairman's Report 2017/18

Continued from page 1

To fully utilise the old equipment those tables primarily used on fayre day, which suffered severe woodworm infestation, have been disposed of. These are now replaced by the tables removed from the hall. To facilitate better storage of these a Shed has been commissioned from Buttonswood specifically to house fayre day tables and chairs. This will allow easier access to the remaining equipment in the brick store when used for regular events and lettings. The shed will stand at the rear of the meeting room to the side of the brick store. The total cost for this will be met from existing funds.

Having fulfilled the aims of the 2015 refurbishment plan it is now clear that we have started a process which needs to continue if the building itself is to survive. In the short term, the north, the west and south facing walls need repointing and failing stonework repairing, the copings on the northern gable require lifting, resetting and supporting stonework repairing, stone windows and crumbling ledges to the North and west require repair or replacing. Longer term, the recent hall floor refurbishment highlighted the limited life it has left, old guttering's and ground drainage are not adequate to cope with water flow, tiles are unseated and damaged and the list goes on.

With this in mind it is now necessary to formulate a new plan. Despite our current positive financial standing costings will almost certainly involve attempting to raise significant funds from grant applications in addition to holding specific fundraising events. This is in addition to our regular planning of events and fayre day which are essential to the everyday running and maintenance of the hall.

All committee members are fully involved in the organisation and delivery of our service to residents. Every effort is made to reflect the wide opinion and tastes of the whole village. They strive to deliver an eclectic mix of events, some more successfully received than others, and attempts to reach as wide an audience as possible whilst also considering some events of a more particular appeal. Financially successful events cannot constantly be repeated if they are to retain interest and events of narrow interest are essential to cater for the whole community even if they do not raise much profit. We are, therefore, constantly looking for activities which may raise the profile of the hall, increase its use in the wider community and create further revenue.

It is the nature of organisations that they flourish through an ability to change, to absorb new ideas and that they have a structured management with clear purpose. In my opinion Appleby village hall has this.

A year ago, I made our annual plea for new members. The benefits are an infusion of enthusiasm, energy, fresh approaches, and, perhaps a younger more innovative approach to the future. With this in mind I gave notice that I would not be seeking to take the chair position again though I would be happy to continue to support the work of the new committee going forward into 2019.

As always, I would like to make public my gratitude to all those volunteers whose efforts have helped to keep the hall in operation over the past year, particularly those who magically appear on fayre day and those who have made the café into the success it now is. To the committee for their continued support and interest and to the residents of Appleby for their patronage and support of hall events.

I would also like to thank the trustees for their continued support and sponsorship of the hall's development and in so doing make note of the sad death of Mrs Jackson earlier this year. Along with her husband she had been associated with the hall since its trust began in 1975 and it is their legacy we now enjoy."

Village Hall AGM Secretary's Report 2017/18

Clive Prior - Secretary Appleby Village Hall

"My report must begin by thanking our committee for their support; at monthly meetings, hall events and all their hard work in-between times over the last 12 months. This hall simply would not function without your continued commitment

We have sadly lost two of our members during this period, Rick Prior and Mark Jacomb we thank them for their contribution during their time on the committee. Happily, we have gained two new ones, Anna Faye Evans and Craig Johnsen, who are very welcome additions to the committee.

The committee are once more indebted to Mr Cliff Chase for his tireless work as our cleaner. He continues to go the extra mile and keep the hall ship-shape.

(Continued on page 3)

Village Hall AGM Secretary's report 2017/18

Continued from page 2

Village hall events have been very encouraging, as well as providing needed income. We are getting a regular following for our pub and quiz nights and I believe numbers are steadily increasing. In addition to this, we have as a committee come up with new event ideas. These events include the Horse Race night, Live music nights, Halloween party, illustrated history evening, and other events still being planned, including a New Year's Eve event. It is clear that having more regular and diverse events, the village hall is providing entertainment for all of the community and bringing people together.

Rural touring events. By using this facility, we can bring real talent to the village, which we would normally not be able to afford. We had a brilliant act in Jango Star who performed earlier in the year. We have applied for another act for next spring.

Community café. Every Wednesday morning has become a real success, so much so that it has had to move into a larger room, which is full every week. It is run entirely by our volunteers who deserve our sincere thanks.

Christmas tree. We voted to have a Christmas tree outside the village last year. This was warmly welcomed by the whole community. I believe it is something which we should continue to do, it provides a focal point in the village during the festive period.

My final thanks must go to my fellow officers for their hard work. Paul, our chairman for his tireless commitment in keeping this hall functioning, I believe he does more than most of us are aware of. Our treasurer John, who continues to keep us on the straight and narrow financially, ensuring we remain solvent.

The committee have ensured that all matters concerning the licensing, legislation and other legal matters of which they are aware are in order. Insurance of the building, contents therein, field and cover for third parties and officers of the premises and the potential liabilities of this committee.

In accordance with the lease and trust deed the committee and its officers so elected, have dealt with all the matters outlined therein for the good of the village hall and the inhabitants of the Parish of Appleby in the county of North Lincolnshire (the area of benefit)".

Appleby Parish Neighbourhood Plan

Joy Powell

Appleby Parish
Neighbourhood Plan
Your Parish, your future

Lead ~ Appleby Parish Neighbourhood Plan Group

The Independent Examination of the plan is underway. North Lincolnshire Council has appointed Intelligent Plans and Examinations (IPE) Ltd. to examine the plan. and have forwarded all the documents to Patrick Whitehead (the examiner).at IPE

The examination is estimated to take around 6-8 weeks as per the following timetable .

- 📅 Week 1: Submission of the Plans and appointment of examiner. (completed)
- 📅 Week 2 and 3: Review of the Plan and associated documents and site visit.
- 📅 Week 4 and 5: Assessment and drafting report
- 📅 Week 6: Issue Fact Check report to Local Planning Authority (NLC)
- 📅 Week 6-8: Issue of Final Report.

We are already responding to some points from the examiner for clarification. He will undertake a site visit at the end of November. This visit will be unaccompanied to preserve the independence of the examination.

If no issues are found at these early stages the examination can be conducted solely by written representation, however a hearing may be convened to ensure adequate examination of issues which come to light during the process.

If the examiner recommends that the Plan should be adopted the Council will arrange a Referendum early 2019 in which residents will be given the chance to vote on whether they think it should be adopted. If it is supported by the local community (us) at the referendum the policies in the Appleby Parish Neighbourhood Plan will then be used by North Lincolnshire Council when they determine planning applications in our area.

The Government is adopting a Planning in Principal policy to speed up the Application process which may be of value for some applications but could also relax some regulations. This new policy adds weight to us having our Neighbourhood Plan in place as it will enable planners to have a clear understanding of our local views and their obligations in considerations of the character of the Parish which residents have highlighted as being important to our community.

This has been a long process but hopefully now the end is in sight.

I would like to thank everybody who has supported this work either by being on the planning group or attending and responding to consultation events.

Little Crow Solar Park

Drop in event at the village hall

Representatives from INRG Solar, who are seeking permission to build a large solar park on 565 acres of land between British Steel and Broughton, south of Santon Wood, have advised the Parish Council that a further public consultation event will take place on Tuesday 11 December between 2:30pm and 7 :30pm at the Village Hall. A full set of their consultation materials will be available to view and comment upon.

More information on the planned development, its location and the scheme as whole can be found at <http://www.littlecrowsolar.co.uk>

theWI Appleby WI
INSPIRING WOMEN Jacky Johnson
Vice President

On the 9 October the WI had their harvest meeting. This is celebrated by holding a silent auction to raise funds for our group. The meeting commenced with a short business and correspondence update and then our speaker Loretta Rivett entertained us. The topic being "Famous Historical People from Lincolnshire" Not being born and bred in this neck of the woods I had no idea of who these people could be. To name a few, Sir Isaac Newton from Grantham. Sir Joseph Banks, botanist who secured a place on Captain Cooke's world voyage on the Endeavour. Dame Sybil Thorndike, John Harrison a famous Barrow carpenter and clock maker. Space does allow me to list more however they are easily found on the internet. Loretta is an excellent speaker and has lots of knowledge to share. Thanks were given after the talk and then the auction commenced. This is great fun and an enjoyable way of raising funds. The meeting closed with refreshments and a raffle.

The November meeting opened with a brief business update and then moved onto "Wreath Making" Unfortunately our expert was ill on the evening so in good old WI fashion we got stuck in and with help from Janice Taylor and other skilled ladies everyone produced a very professional looking Christmas Wreath. Lots of fun, everyone helping each other and a lot of hidden talent showed itself. The meeting closed with refreshments and a raffle.

On December 4 we held our Christmas Party and everyone will brought along food. These were hot items and sweets so we had a good selection to choose from. We had a Secret Santa gift exchange. Mulled wine also served.

'Tis a little early however I and all WI ladies hope you all have an enjoyable festive season.

Future events are detailed in 'Dates for your diary' on page 6.

NEW MEMBERS ARE ALWAYS WELCOME

Contact ANN DRURY, Secretary

01724 735178

New Village Hall Chairman

Paul Johnson indicated last year that at the 2018 AGM he would stand down as chairman of the Village Hall management committee

At the AGM held on 27 November Paul confirmed he would not seek reelection. It was proposed and seconded that Craig Johnsen be appointed. Craig was duly elected and accepted to be the new chairman of the committee

Ivor Keyes' report on page 1 in which he gives a personal thanks for the dedication and work put in by Paul over the past few years

Paul will continue as a Village Hall committee member

War Memorial Renovation

The parish council have applied for a grant to maintain the War memorial site by cleaning and then enhancing the writing on the granite stone, as well as carrying out a crown lift on the Oak Tree, which is part of the War Memorial itself, being planted in 1923 in remembrance of the fallen. By obtaining a grant we greatly reduce the expenditure our residents are asked to pay

Parish Council Elections 2019

Lynne Watson

Clerk to Appleby Parish Council

Have you ever wondered what the Parish council does? Or wondered what is the role of a parish councillor?

The Appleby Parish Council elections take place in May 2019, if you are interested in the role of parish councillor now is the time to be thinking about it. Further information is available on the Council's website, or talk to one of the parish councillors.

We need to report a problem to NLC?

Use North Lincs Council Portal.

For those with internet access can via North Lincs Council Portal, report issues such as street light repairs, dog waste bins, pot holes litter etc is available via their website www.northlincs.gov.uk then follow the report links to the specific department of concern. It save considerable time in getting issues resolved. If you don't have an internet connection reports can be made via phone on 01724 297000

Reporting through the Parish Council is obviously still available and can be done by raising it at a PC's meetings or by contacting the PC Clerk Lynne Watson on e-mail clerk@applebypc.org.uk or by letter to 1 Orb Lane, Scunthorpe DN15 8QY.

Snowy afternoon Church Side

Rural Safety

A brief summary.

A Rural Safety Meeting hosted by Humberside Police is held every two months and is attended by a number of Councillors and other Agency representatives e.g. Humberside Fire Service, Safer Neighbourhoods (Including a Neighbourhood Watch representative), Safer Roads representative, Representatives of Humberside Police Crime Commissioner and Country Watch, from East Yorkshire, North Lincolnshire and North East Lincolnshire.

This meeting forum is a positive initiative by Humberside Police and Fire Service with an objective to take on board concerns regarding the different aspect of safety and policing which may affect residents in Rural areas among other things.

Much of the information discussed exchanged originates from Neighbourhood Action Teams and Country Watch representatives. One of the things to come out of this forum are potential Community Speed Watch groups, more of which is mentioned at page 1 of this newsletter.

A member of the group is also a Local Magistrate and has explained how better information presented in court cases can make a difference to conviction rates, and such information from the general public regarding criminal activity can be a real help to Police. It is also hoped that more or better information as feedback to communities regarding Policing and security issues will be made available via NLC News Direct magazine in our area which is also an objective of this group.

The 101 reporting service is always discussed and changes to shift patterns for the Hub should soon be in place to improve those communications.

A small number of residents have already taken advantage of the Safe and Well scheme for vulnerable people operated by Humberside Fire Service. For further information contact 01724 295904

This group is in the early stages of development and it will be interesting to see how it evolves, but it is a significant effort by our Police and Fire Services to further improve the feeling of security for rural communities such as ours

Santon ~ British Steel meeting

A number of residents of High Santon Villas have held a meeting with British Steel representatives regarding maintenance issues on Dawes Lane. The western section of Dawes Lane is owned by British Steel, subsequently a number of services that are nominally provided by North Lincs Council fall under the responsibility of British Steel. Confirming who does what is ongoing but below are some telephone contact numbers for British Steel for the benefit of residents at Santon.

What also came out of that meeting were concerns those residents have regarding speeding vehicles on Dawes Lane, which will now be added to another Traffic meeting for further discussion.

British Steel have asked that residents of Santon still use Parish Council as a point of contact for maintenance of Dawes Lane High Santon Villas, but not that part of Dawes Lane that is owned by British Steel and comes under their care and responsibility in which case they should be contacted as per the details below.

Contact Details:

- Emergency issues only : 01724 403333 24hrs service.
- Emerging potential security issues non emergency: 01724 402356 24 hrs service.
- Infrastructure issues: Paul Douglas 01724 403557 during working hours
e-mail paul.douglas@britishsteel.co.uk
- Electrical issues: Mick Smith 01724 403454 during working hours
e-mail mick.smith@britishsteel.co.uk
- General matters: Mark Ding e-mail mark.ding@britishsteel.co.uk
- Street Lights : North Lincs Council 01724 297000,
or via the NLC website Portal <https://www.northlincs.gov.uk>
- Appleby Parish Council website www.applebypc.org.uk
Or as listed in the Community Newsletter such as Neighbourhood Watch etc.

Neighbourhood Watch

Roger Fernando

Neighbourhood Watch Coordinator.

The Neighbourhood Watch (NhW) Residents' Meeting on Thursday 22nd November was a lively and useful event, kindly supported by the two special guests, Inspector Tim Harvey of Humberside Police, and Sandra Joyce of North Lincs Council Safer Neighbourhoods Team. The meeting focused on two important matters:-

- How to help Residents – especially elderly and vulnerable residents – to improve their security against opportunist criminals;
- How to quickly alert Residents – especially those who do not use the Internet – with urgent NhW Alerts.

The meeting agreed on the following decisions/action points:-

- Some Residents apparently did not receive the Notification about the NhW Residents' Meeting. NLC Safer Neighbourhoods and your NhW Co-ordinator, Roger Fernando, will follow this up to discover who missed out so that we can avoid this problem in future;
- Membership of the NhW Street Co-ordinators' Group has changed during the year. Therefore, Group Members need to be checked out and properly re-organised. Roger Fernando will deal with this and then issue an up-to-date list of Appleby NhW Street Co-ordinators;
- Before he handed over as NhW Co-ordinator to Roger, Ivor Keyes sent out an e-mail to around 150 Residents asking them to send Roger an e-mail if they wished to remain on the NhW Alerts Circulation List. This was necessary because there is now a new law, the General Data Protection Regulation (GDPR) - introduced by the EU - which apparently does not allow personal contact details to be passed on without specific requests from the persons concerned. So far only 19 Residents have asked to be notified about NhW Alerts. **If you wish to have your Name and Contact Details added to the current list please contact Roger Fernando on crf-csd@uk2.net or on Tel: 01724 735273;**
- The Information Commissioner's Office (ICO) is apparently able to allow relaxation of the GDPR rules for certain, community-supported, activities. Roger Fernando will contact ICO to check whether NhW may be included in this relaxation, in order to help with the development of NhW matters;
- The medical practitioners who serve the needs of Parish Residents provide a medication delivery service to those Residents who require this service. The persons who deliver these medications are likely to have information about Residents who may need other forms of support. Roger Fernando will contact the agency which co-ordinates these medication deliveries and try to establish whether NhW support could be enhanced by co-operation with this agency;
- Just before Roger took over as Appleby NhW Co-ordinator, NLC Safer Neighbourhoods Team sent out a Questionnaire to all households and businesses in the Parish, to establish their requirements from, and support for, the Parish Neighbourhoods Watch "system". Only 28 completed Questionnaires were returned to NLC Safer Neighbourhoods Team. Therefore, the NhW Group is not properly informed about the circumstances, needs and possible support available to / from most of the Parish Residents. This makes it very difficult for the NhW Group to properly support the safety and security needs of Parish Residents;
- Therefore, Inspector Tim Harvey of Humberside Police has generously offered Police help for the NhW Group to conduct a house-to-house NhW survey of the Parish in the New Year. The NhW Group will keep residents informed about this proposed survey.

In the meantime, please remain alert to possible opportunist criminals. Keep in touch regularly with your near neighbours and keep our local police and NhW informed of anything which may become a safety or security risk.

A winter's morning Haytons Lane

Christmas and New Year Operating Times

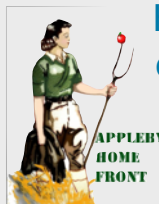

CallConnect will be operating as follows during the Christmas period:

- 24 December - Saturday hours 8am - 6pm
- 25, 26 December - no service
- 27, 28, 29 - Saturday hours 8am - 6pm
- 31 December - Saturday hours 8am - 6pm
- 1 January 2019 - no service
- 2 January 2019 - normal service.

28 December No Service 55

The Friday fixed route 55 serving Santon, Appleby and Dragonby to Scunthorpe will not be operating on 28 December, any journeys required will need to be booked either online or phone 0345 263 8139.

Happy December everyone!

Yvonne Grant

Secretary

Appleby Home Front Group

Just a little update from the Home Front. We're beaver away behind the scenes preparing to host our second (and unexpected!) 1940s festival. We're still seeking funds to get it off the ground but hopefully we will make it all happen on 20th July 2019.

We hope you'll take part in the day once again – 14th July was spectacularly successful and we appreciate all the effort people put into making sure it was.

We have some excellent living history displays in the pipeline and a wonderful line-up of musicians to make the day go with a 'swing'. We truly hope you'll have a great and memorable time.

You may have noticed the Home Front had set a simple display of decorative poppies outside St Bartholomew's Church and at the War Grave of Sapper W Johnson on 8th November until the 19th. It was our way of remembering those who fell during the war years and of those who continue to lay down their lives for our freedom and protection. It was a poignant time, the weather was cold and dull until a flock of geese flew overhead and the sun shone through the clouds.

We're happy to be part of the newly formed Friends of St Bartholomew's group and hope to be able to help in ensuring our Church remains a vital resource for our community.

As Christmas approaches we'd like to wish you all a Happy Festive Season and very Best Wishes for 2019. We'll see you all soon and will keep you up to date with developments of the festival as the weeks roll by. TTFN x

Caution Risby Road Winter Conditions

North Lincolnshire Council recently published their winter gritting program.

Once again Risby Road for it's entire length is excluded from the road gritting plan during any winter conditions of snow or ice.

In light of the recent repairs and resurfacing work along with the increase in traffic on the route drivers are advised to take extra care when travelling on Risby Road whenever ice or snow conditions prevail.

Spring edition is out on 5 April

The Appleby Fayre 2019.

Robin Richbell

Appleby Fayre Event Organiser

Just after Christmas we turn to the new year and the Appleby Show will take place on Sunday 19th June 2019 (Yet another Father's Day). In January we will hold our first meeting for all volunteers to declare an interest, and come forward in our planning and preparation.

Jobs to fill will be:

- Arena On the Day Co-ordinator
- BBQ Chef and six helpers
- Gate Marshalls min 8 for front gate and 4 on the disable entrance
- Raffle Sellers
- Car Park Marshalls (Organiser Ivor Keyes)
- Bar Staff
- Tent Refreshment Staff
- Runners
- Security
- First Aid
- Many other jobs need staffing such as Football Based Event (Dan Osborne)

All posts will be non committed to a full day i.e If you can spare 2 hours that would be great - but all day needs to be covered even in shifts)

I will send a date out asap which will be for the first planning meeting at the village hall it will be 14th January start 7:00pm.

Hope you all have a great Christmas break.

Village Hall
