Seasonal updates and information for the residents of Appleby, Santon & Clapp Gate area

Councillor Hall Steps down as Chairman

I have now stood aside as Chairman, Councillor Ivor Keyes was proposed and voted to take up the mantle to lead the Council, which he has accepted. Councillor

Keyes is a strong and capable representative and I'm sure that he and fellow Councillors will progress not only the Neighbourhood Plan that's at present being formulated, but other, pressing subjects that concern our Parish. I intend to stay on the Council until at least our election year of 2019, and during that time I will be giving Councillor Keyes and Appleby Parish Council 100 per cent commitment.

It's been my pleasure and privilege to serve as a Parish Councillor for the past 17 years – 15 of which I have been fortunate enough to be elected as the Chairman of this Parish. Over that time many changes have taken place within Appleby Parish, and with having a strong and dedicated team around me we have succeeded in achieving many things of benefit to the Parish.

Appleby Parish is unique in that, although small in relative terms, it's big in stature, inasmuch as, being close to larger, urban conurbations items that affect those larger areas impact on us in various ways. We are mainly a number of 'satellite' villages of Scunthorpe, Hull, Lincoln and other towns and cities, with our residents living here but travelling to work outside the Parish. This environment creates its own series of challenges, of which the Parish Council has to address. This it has done admirably during my time on the Parish Council, and I'm sure it will continue to do with Councillor Keyes at the helm. It's a stable ship, and there are 'rocks' ahead, but I'm convinced that Appleby Parish Council will continue to weather any storm that comes along after all it has been going a long time and has experienced 'hands' on the tiller.

Thank you for being supportive of me during my time as Chairman of the Parish Council and I look forward to serving you as Councillor under the excellent leadership of Councillor Ivor Keyes.

Church Side

Parish Council Keeping You Informed

Councillor Ivor Keyes

Chairman Appleby Parish Council

Firstly I'd like to thank Derek for the support he has mentioned in the forgoing. I'm very pleased that he will be staying on as a Councillor and I'll be doing my best to carry on the good work.

Derek is not the only change to Parish Council as Natalie Hogg is leaving the village for pastures new in Solihull and has therefore had to tender her resignation after 12 years as a Councillor. This will be a sad loss to Parish Council and I believe to the Parish as a whole. As most will know, Natalie has been Village Hall Fayre Day Secretary and I'll leave the commendation for those efforts to the Village Hall Fayre Day Committee. Personally I've always found Natalie to be totally committed and focused on Parish Council plus our Community as a whole and I'll miss her strong cheerful character and knowledge.

Nor should we forget the contribution that Natalie's family have made to the village, especially on Fayre day, so a big thank you to Peter, Alex and Daniel. We wish you well.

But the task goes on. Obviously we have a requirement for a position of Councillor, details of which are on page 4 of this Newsletter. Since first joining Parish Council I've found it a fascinating group to be part of. You never know what's round the corner, and the Council has done some very good things for the Community over the past few years. Everything is open, transparent and our business is there for all to see on the Parish Council website at www.applebypc.org.uk. Any resident can come along and see first hand, at any Parish Council meeting, what goes on and how decisions are made. There is also a section of every meeting where residents can raise concerns for the Council to consider. That said concerns can also be raised from our website by contacting the Parish Clerk or by speaking to a Parish Councillor.

Work on the Neighbourhood Plan is nearing completion, information and survey results can be found on our website, and there is an update in this Newsletter.

We've recently had to alter our approach regarding the planters and baskets around the village, now purchasing our own stock, for which Margaret Burgin has been priceless recommending flowers and designing the layout. Keeping the planters watered is difficult. We have a contract with Garden Angels for specific watering, but in very dry hot weather the frequency may fall short and it would be a great help if you could check the planters near you when passing and water if required. We wouldn't want this to be felt as an obligation, but everyone can help in this respect.

Finally, I must mention Fayre Day and the fantastically hard working Village Hall committee and those who help on the day, either organising, rolling their sleeves up or manning a stall, makes Appleby what it is. The Café morning in the Village Hall is really taking off now with Police clinics running alongside Neighbourhood Watch and ONGO when they can make it on certain days, or just a chat with each other. All adds up to a great Community.

Appleby Parish Emergency Plan

Councillor Richard Wilson

Over the years the process of emergency planning has been utilised by large councils to ensure they know how to react if a situation arises which is unusual, catastrophic, or has large scale impacts within communities.

Situations such as these can be caused by major accidents, acts of terrorism, or something as simple as weather situations, water leaks, power cuts, which in turn may require a response from councils in order to assist with the emergency services or CNI sectors (CRITICAL NATIONAL INFRASTRUCTURE), it all sounds very dramatic, and in situations such as Manchester and London it defiantly was not only dramatic but also very necessary. **Cont on Page 2**

Risby Road Improvements

Appleby Parish Council has received the following information:

North Lincolnshire Council plan to carry out work to improve the road from Winterton Road to Appleby (Risby Road). The first phase is due to start on the 7th August 2017 with a completion date of 3rd November 2017

This first phase will include work to move electric and BT cables as well as widening of the existing road. The exact location of the 1st phase works is yet to be finalised but is likely to be in two sections. Section 1 from Brackenholmes Road through Low Risby towards Appleby, section 2 from Winterton Road towards and including the bends at Sawcliffe Farm.

The remaining widening and resurfacing is currently programmed for the following financial year.

For the safety of the workforce and public the work will be carried out during a Road Closure order. Access will be maintained to properties except when work is carried out adjacent to the property. Of course when no work is taking place overnight and at the weekend vehicles will be able to pass through the works with due care.

Normal working hours will be 07.30 to 17.00 Monday to Friday

Emergency access will be maintained at all times.

If you require any further information or wish to discuss any matters concerned with the works, please contact :

Dave Whincup

Highways Project and Maintenance Officer
8-9 Billet Lane

Allotment Update

Winterton Town Council has agreed that residents from Appleby may apply for an allotment at Winterton (Holmes Lane site), priority will be given to Winterton residents.

At the moment there is one full-size allotment plot available but the Council have someone interested in taking it. They are looking at the possibility of extending their allotment site and they will keep Appleby Parish Council informed as to the progress.

Any Appleby resident wishing to put their name down on the waiting list can do so by emailing the Clerk to the Town Council Lisa Newstead - clerk@wintertoncouncil.co.uk.

Appleby Parish Emergency Plan

Cont from Page 1

Our parish is unlikely to ever have to rely upon one of the emergency response plans due to our proximity to major populated areas such as Scunthorpe, Brigg, and Winterton and Hull in the other direction. This does not however negate the requirement to complete one.

The parish has for the last few years had a plan in place, which has been metaphorically stored on the shelf and never required, but due to the many changes within the population of our parish, expansion and the changing requirements, we as a council believe the plan requires a review to bring it up to date.

We need your help please, in order to complete this by updating the information you supplied a few years back.

All information we collect will be treated as strictly confidential and will not be made public in any documentation whatsoever, but will be used as reference upon how to form the requirements for our new plan.

How can you help?

Would you be willing to help out during an emergency?

Do you have any particular skills or equipment that you believe may be of use?

There is no obligation on anyone who volunteers, it will just mean that we may call you in an emergency to ask if you are free to help.

If you think you might need support during an emergency we would also like to hear from you.

Support might be something as simple as checking to see if you're ok, to ensure we keep a look out for our elderly or disabled residents.

If you have any particular essential requirements for example a medical requirement, then we can incorporate those elements into our response, but we do need to know who and where you are.

If you would like to volunteer or let us know your skill set that may help in an emergency then please complete the enclosed form and email it clerk@applebypc.co.uk or drop it off at the village hall or telephone Councillor Richard Wilson on 01724 732923.

Village Hall News

Clive Prior Appleby village hall committee

Well, another Fayre day is over, what a good day it was too, with lots of family entertainment, the fayre had something for everyone. We had a good attendance and even the weather was with us. The village itself looked really special, everyone seems to have made a special effort to get their hedges and gardens looking perfect for fayre day.

Once again we must give a huge thank you to all the residents and friends who helped over the weekend, without you the fayre simply could not happen. The money we made on the day is used for the upkeep of our village hall. (final figure not available yet, will keep you posted)

On another good note, the community cafe which is open on Wednesday mornings, is gaining popularity. It provides the perfect opportunity to pop in for a cuppa and a chat with your fellow residents. Do come along, you will be made welcome.

The village hall is here for the community, in addition to the Wednesday community cafe, other mornings could be considered as a meeting place for different groups, such as mother & toddler , etc. If anyone would like to start such a group, please come and talk to us.

Did you know that you can book the village hall for parties or private events? The rooms can be hired on an hourly or daily basis. A full price list can be found on our hosted website, www.appleby-lincs.co.uk/village-hall/

Need to contact us? email: applebyvillagehall@gmail.com

Appleby Parish
Neighbourhood Plan
Your Parish, your future

Appleby Parish Neighbourhood Plan

Joy Powell ~ Lead

Appleby Parish Neighbourhood Plan Group

The Appleby Parish Neighbourhood Planning Group has been informed by local landowners that during North Lincolnshire Council's recent consultation on their new Local Plan they have proposed sites for future development. The new NLC Local Plan is looking at development for the whole of North Lincolnshire in the next 15-20 years.

It is important at this stage we assess residents views on the proposed sites within our parish hence the affect it would have on our neighbourhood plan.

Please complete the flier giving your views and return it to the Village Hall or complete the on line consultation www.applebypc.org.uk (details of which are on the flier). Only one response can be submitted per devise. Please see the flier for more details and a map of the sites.

All the proposed sites are within Appleby Village there are no proposals for Santon or Clapp Gate

The sites which have been suggested for inclusion in the development boundary for Appleby are.

- Site 1 Grounds of Old Appleby Hall;
- Site 2 Land next to church ('Hector's Field', the old plant nursery area);
- Site 3 Paddock opposite church;
- Site 4 Fields at the end of School Lane.
- Site 5 is Jackson's Farm Barn Area and the site opposite on Risby Road.

As things stand all these sites except the Paddock Area are outside the Development Boundary for Appleby Village where development is strictly controlled and normally limited to uses which are suitable for a location in the countryside.

The Paddock Area (site 3) is protected from development by a North Lincolnshire Council Policy LC11 designation. Following the views given during the Residents 'Drop in' day Appleby Parish Council is applying for Local Green Space designation for the Paddock.

There is also existing LC11 protection for Site 2 the area next to and including St Bartholomew's Church. The Parish Council is also applying for Local Green Space designation for the Playing Field again in line with the views given during the 'drop in' day.

We do not know if North Lincolnshire Council will alter the Development Boundary for the parish following the completion of their Local Plan consultation. However, we thought it right to ask residents for your views on the potential development of these sites. Please make every effort to respond.

The full plan is progressing well with the near completion of the report, a summary of the proposed policies will be circulated to every household shortly. The full report will be on line and a paper version available at the Village Hall.

Best Kept Village Competition

Appleby village has again been entered the Best Kept Village Competition hosted by the Campaign for Rural England.

In addition to judging the village as whole four other categories have been entered:

- Best Kept Playground
- Best Kept War Memorial
- Best Kept Churchyard
- Best Community Planting

Appleby has done very well in previous years including winning Best Kept Village in 2013.

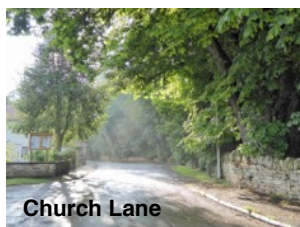

Everyone can assist in achieving this accolade by keeping their hedges and adjacent verges trim as well maintaining their gardens in good order.

Judging will be carried out between 24 July and 12 August.

With your help let's win again in 2017.

Time to plan

Flower, Presentation and Producer Show

3 September

Ian Cross

Chair Produce Show

With summer approaching its zenith gardens are alive with the murmurings of bees, wasps and other sundry biters, it's time to buckle down and plan your entries for this years Produce Show, to be held at the village hall on Sunday 3rd September.

Last year saw the 50th anniversary staging of what has become a cornerstone of our wonderful community. The majority of Classes are carried forward from last year with one or two notable tweaks! The theme this year for the poetry, painting and photo classes is 'wildlife'. (Not sure even my somewhat warped brain can engineer suitable 'wildlife' related classes in the 'Baking' section!)

At the suggestion of one of our residents I am proud to announce the inauguration of an 'Under Fives' class, which this year will be 'Best Picture'. (Any medium, within reason, almost!)

The Show is open to all residents, family and those with a strong connection to the Parish. It brings together a wide section of our community, often in 'friendly' rivalry. The multitudinous talents we harbour in Appleby never cease to amaze me.

The schedules will be circulated shortly. So, take some time to plan your entries, mark your calendar and nobble next doors prize lupins!

See you there!

In the spring Sheila Rhodes stepped down as president of Appleby WI and has handed her role over to Wendy Marshall..

Dates for meetings through to early October can be found in the 'Dates for your diary' section on page 6.

Meetings are held on 2nd Tuesday of each month from 7:30pm at Appleby Village Hall.

NEW MEMBERS ARE ALWAYS WELCOME

Contact ANN DRURY, Secretary

01724 735178

Mains Gas Survey Update

Following on from the recent parish survey the Parish Council received 29 requests for further information about the provision of Mains Gas to Appleby Village.

The numbers, but not the names of respondents at this time, have been forwarded to British Gas and we are waiting further information from them.

Casual Vacancy Appleby Parish Council

There is a vacancy for a Councillor on Appleby Parish Council. Should you be interested please contact the Parish Clerk Lynne Watson on 07739 571610 or by e-mail clerk@applebypc.org.uk.

Unless an election is requested this position will be filled by co-option at the meeting of the Council to be held on Tuesday 25 July 2017 at 7.00pm in Appleby Village Hall.

Councillors are elected but are unpaid for their time. Becoming a parish councillor is a rewarding experience and often described by those that get involved as a way of giving something back to their community. As a Councillor, your time will be well spent and will provide a sense of satisfaction. The council meet for approximately two hours once a month depending on what needs to be discussed. Council meetings are open to the public.

There are some basic requirements as below.

Qualifications to be a Councillor

A person is qualified to be elected and to be a councillor if they are a British, Commonwealth, Irish or European Union citizen and on the relevant day (that is, the day of nomination or election) they are 18 or over. In addition, the person must meet at least one of the following criteria:-

1. Be registered as a Local Government Elector for the Parish on the current Electoral Register.
2. Has during the whole of the previous 12 months occupied as tenant or owner any land or other premises in the Parish.
3. Has had his/her principal or only place of work in the previous 12 months in the Parish of Appleby.
4. Has resided either in the Parish or within 3 miles thereof during the previous 12 months.

Certain people are disqualified from standing, these include:

- a. Paid officers (including the Clerks) of the council,
- b. Bankrupts
- c. Those subject to recent sentences of imprisonment
- d. Being found guilty of corruption

St Bartholomew's News from the Pews

John Jeremiah

A date for your diary - Friday 13th October 2017 at 7pm

But more of that later.....

Fund Raising so far this year.

On 10th June St Bartholomew's was the venue for an outstanding concert given by the International Touring Choir "Sine Nomine" conducted by Sue Hollingworth. The event was a sell out. The net profit from ticket sales and the raffle was **£767**.

Once again Pam Palmer and Mary Bratton organised the cake stall at Appleby Village Fayre along with many willing helpers. The weather was sweltering and it was an arduous task. Many thanks are due to all those who helped on the day enduring the heat and to those who provided cakes of all types, including the 'gamekeeper's delight chocolate feasts' created by Anne and Glyn Evans. The proceeds on the day were **£322**.

The floodlighting sponsoring scheme has been very successful and will continue. Big thanks are due to the sponsors of the floodlighting. Gross sponsorship is currently £460. Please call 733484 if you wish to sponsor the lights for £10 a week to celebrate a birthday, anniversary or just wish to see the lights illuminated.

We are thankful for a band of faithful volunteers who maintain the churchyard, clean and maintain the church and arrange events.

In order to preserve St Bartholomew's for the future the current volunteers feel that a wider group could help to ensure that the building's future is secured and to that end the formation of a Friends Group would help which could be

To suggest ideas for a wider community use of the church.

This might include a permanent exhibition to outline the heritage of the village for example.

To assist with fund raising activities to

Support the church as a venue for concerts and meetings.

Ideas to develop the facilities within the building, such as heating and ventilation, toilets and a servery

To provide storage for grass cutting and maintenance equipment

YOUR VIEWS ARE IMPORTANT

You are all invited to a cheese and wine party in the church on Friday 13th October at 7pm. Please note the date in your diaries.

There will be an opportunity for the current volunteers to show the work that has been done and what long term plans are being discussed with the Diocese of Lincoln.

Come and get a closer look at your church and give your views and ideas for the future. We welcome your involvement although you are under no obligation to commit yourself.

St. Bartholomew's survival is essential to the heritage and aesthetic character of Appleby

St Bartholomew seen across the paddock from the beck Hayton's Lane

Neighbourhood Watch Update

Tracey Coyne, Safer Neighbourhoods Officer

North Lincolnshire Council

Neighbourhood Watch

Thank you to all residents who completed the update Neighbourhood Watch information sheets, any residents who wish to complete them can still return them to the post box at the Village Hall. There is also an opportunity to receive new stickers and packs at the next Neighbourhood Watch meeting.

The next Neighbourhood Watch meeting will be held at the Village Hall on the 7th August 2017 at 7pm. North Lincolnshire Community Policing Inspector Tim Harvey from Humberside Police will be attending to give an update on Poaching and Lamping following his presence at the last meeting. There will also be advice and free information packs from Safer Neighbourhoods regarding Home Safety and Security. We are hoping to see many members of the community at the meeting to help support and continue to expand the Neighbourhood Watch group.

Incident Reporting

We are asking residents to continue to support Humberside Police by reporting any incidents or suspicious activity. Although your call may not require an immediate response it is vital that we continue to receive this information so that a full picture of crime trends and possible offences can be collated and appropriate resources and actions put into place. If a crime is in progress please use 999 or 101 for all other incidents.

Rural Crime Week

Rural Crime week is fast approaching 17th – 24th July and PC Amanda Barnett and PCSO Katy McNally will have a stand at the Village Hall coffee morning on the 19th July 10.30 – 12:00. Come along and find out more information.

Recent Incidents, incidents below are between 1 May – 5 June 2017

- 1 x Criminal damage
- 3 x Attempted Residential Burglaries- no items reported stolen
- 1 x Report of Anti - Social Behaviour – ongoing

May I take the opportunity to thank you on behalf of Safer Neighbourhoods and Neighbourhood Watch for all your continued support to keep your community a safe place to live.

Extract of minutes from PC meeting 23 May 2016

Minutes of Parish Council meetings are available to view on the parish council's website at www.applebypc.org.uk. Examples of these are captured in the following extracts of some minutes from the May meeting. Progressing from council minutes into real short and long action within our community is reported on this our quarterley Your Community Newsletter.

Minute 17/66 To receive and consider any updates regarding establishing Allotments in Appleby.

It was not possible to provide allotments in Appleby village, therefore, arrangements had been made with Winterton Town Council and residents were able to apply for allotments on Holme Lane, Winterton. An article was to go in the next edition of the Newsletter advising residents to contact Lisa at Winterton Town Council to express an interest. **Action:** Councillor Hall to provide article.

Minute 17/67 Emergency Plan.

The plan had been reviewed and the only issues were personnel issues. Confirmation that those named were still happy to continue in their specified role was required. The suggestion of a table top exercise was agreed as a good idea. This would help to ensure that the Parish Council can meet the requirements. It was agreed to invite representatives from both nursing homes. A date to be proposed for mid-summer. **Resolved:** Councillors Keyes and R Wilson to follow up on personnel, arrange exercise and invite relevant representatives. **Cont on Page 6**

Frodingham Iron and Steel Works Timeline

Another in a series of looking at the Iron and Steel heritage of Appleby Parish, this time detailing the timeline development of the Frodingham Iron Co. from 1864 to 1934

1864 Rowland Winn [of Appleby Hall] agreed with a Leeds brick maker, Joseph Cliff, to take a lease on parts of Winn's land at Appleby and Frodingham to mine ironstone. Joseph Cliff and his brother-in-law, William Edward Hirst, were to have 93 acres in Scunthorpe and Frodingham, and 300 acres at Appleby. Before signing Cliff had begun to lay out his works in the village of Frodingham with technical advice on furnace construction from Stockton-on-Tees. The new firm took the name the Frodingham Iron Co.

1865 May, the first furnace was blown-in. The initial casts gave a daily make of five tons; later this was increased to twelve tons.

1871 Cliff built two more furnaces at Frodingham and replaced his earlier ones with two larger furnaces. John Gjers from Teeside advised on the new plant. The new stacks, sixty-three feet high and eighteen feet in the bosh, were put to work at the end of March 1871.

1876 Appleby Ironworks' first furnaces were ready for blowing.

The output of the early producers in the Scunthorpe was basic pig iron which was suitable for forging but less useful for foundry work because of its relatively high manganese content. Much of the pig iron was therefore sent to the bar, sheet and wire trade of Staffordshire.

1887 Crude steel was first made at Frodingham, but this was considered not to be viable.

1890 Frodingham Iron Co made the first steel in the area by the basic process method invented by Sidney Gilchrist Thomas though they had to seek outside help to refine the method.

1904 Incorporated as a limited liability company with the trading name of Frodingham Iron and Steel Co (FISCL)

1912 the Frodingham company absorbed the Appleby company each continued to trade under their own names.

1917 both Frodingham Iron Co and Appleby Ironworks became part of the United Steel Companies.

1918 By the end of the First World War total crude steel production was approaching 300,000 tons, with pig production almost double that.

1931/2 The Frodingham Iron and Steel Co. absorbed the North Lincolnshire Ironworks bring it within the United Steel Company.

1934 Frodingham and Appleby firms were formally amalgamated into the Appleby-Frodingham Steel Company (App-Frod).

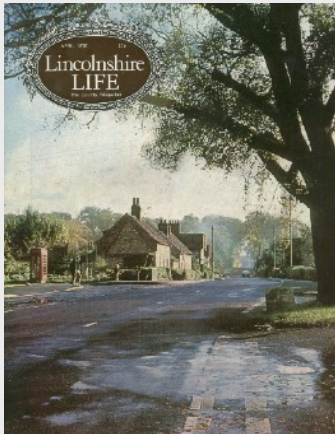

Did you know?

* In the Middle Ages principal crops of this "Claylands" area were wheat, barley and peas. Hemp was an occasional crop for example Thomas Luddington of Appleby had a hemp garth in 1591.

* At the junction of Ermine Street with Risby Road on the traffic island, edged with a blue brick kerb, are two medieval cross bases. These are important relics which appropriately have 'Listed Building' status. The two stone bases (which are thought to have come from Thornholme Priory) were until relatively recently under the shade of a large Elm Tree (as captured on the front cover of the April 1976 Lincolnshire Life) which is said to mark the location where John Wesley the founder of Methodism, preached a proselytism (conversion) sermon.

Two medieval cross bases

This newsletter is on the Parish Council's web site

Also on Appleby Website hosted by

www.appleby-lincs.co.uk

Compiled and distributed on behalf of Appleby Parish Council

Autumn edition is out on 6 October

Extract of minutes from PC meeting 23 May 2016

Cont from Page 5

Minute 17/69 Rights of Way

Item deferred to next meeting

Minute 17/70 To receive and consider Planning Matters

(a) PA/2017/696 - Wressle Well Site. North Lincolnshire Council had received letters of objection based on fracking. Councillor Glover stated categorically that there was no fracking to be done on the site. The Chair had studied the information put onto the website that day from the applicants and that the information showed lateral drilling towards Broughton. He then read out an email from Councillor Keyes regarding concerns about HGV traffic through the village. The new information showed that heavy traffic was to use the roads through Wressle and Castlethorpe to the A18, the south of our parish.

Proposal: to respond with no objections

Agreed: by all councillors present. Chair to respond via planning website.

(b) MINS 2016/810-Appeal letter relating to Well Site. Original application was refused in relation to concerns about water on the British Steel site. The appeal will be considered in June at a planning meeting.

Both applications will be considered at the full Planning Meeting in June. All members of the public will be segregated from the actual meeting

Minute 17/71 Gas into Appleby parish

The application had been acknowledged by National Grid. Clerk to follow up at end of month. Action: Clerk to contact National Grid.

Minute 17/73 To consider North Lincolnshire Ward Councillor reports.

Ward Councillor Ivor Glover advised that due to the election the Council was in purdah. Councillor Glover also advised that Councillor Holly Mumby-Croft was standing for election as the MP for Scunthorpe. All councillors offered good wishes.
